Dear Colleagues

**DELTEC TELESYSTEMS INTERNATIONAL LIMITED**  
**P.C.T Patent Application No. PCT/NZ00/00078**

Thank you for your fax of 27 September 2000.

We enclose copies of four powers of attorney signed by the four applicants, giving our reference 211883/142.

The original power of attorneys have been sent to WIPO in connection with PCT/IB00/00739, which replaced PCT/NZ00/000708.

We confirm our withdrawal of PCT/NZ00/000708. We submit that we are authorised to withdraw this application by virtue of the four powers of attorneys signed by the applicants. We have also received a refund of the fees, so we assume that the application is deemed withdrawn on this basis also.

Please let us know whether anything further is required.

Yours faithfully  
**BALDWIN SHELSTON WATERS**
